EXPERIENCE

Assistant Coach (kids class), Missoula Brazilian Jiu-Jitsu

March 2019 - March 2020

I started studying at Missoula BJJ in 2017. In 2019 I was invited to participate in the adult classes and assist in coaching the kids' classes. Responsibilities include leading warmups, instructing technique, and monitoring student safety.

Volunteer, Free Cycles Missoula

April 2019 - March 2020

I was introduced to Free Cycles through their build-a-bike program. I liked the place so much that I asked Bob, the owner, if he could use a volunteer. He accepted. Since then, every Saturday, I spend several hours organizing the shop, helping people fix their bikes, and refurbish donated bikes for resale.

Gym Cleaner, Crossfit Missoula

- August 2022

In [Date], my dad offered to pay me to clean his gym's waiting room. I agreed and after some time I was doing all of the vacuuming, mopping, restocking, and taking out the trash for the whole gym.

EDUCATION

Carney Homeschool Academy, currently 12th grade.
